DEDICATION

Albert W. Douglas

Mr. Albert W. Douglas, whose adult life was spent helping deaf people, died in Austin on April 6 at the age of 63. Mr. Douglas's career, which spanned nearly four decades of working with and for the deaf, included many years at TSD, which he joined in 1950 as curriculum coordinator. In 1954 he became principal, a position he held until 1965 when he was named as superintendent. Mr. Douglas served in this capacity until 1972, when he resigned in order to work with the Texas Education Agency. There he was the chief consultant for Special Education.

A native of Brattleboro, Vt., Mr. Douglas earned a B.S. in Education at the University of South Carolina in 1938 and a M.A. in Education of the Deaf at Gallaudet College in 1941. He completed additional graduate work at the University of Connecticut, New Britain Teachers College and The University of Texas.

Before coming to Austin Mr. Douglas served as both a teacher and a supervisor at the American School for the Deaf and as an acoustic expert with the U.S. Army.

During his stay at TSD Mr. Douglas also found time to lecture at The University of Texas and to teach a number of summer sessions at Western Reserve and Texas Women's College.

Let us remember and honor this man who devoted so much of his life to the service of others and who continues to live through his many contributions which enrich the lives of the present TSD family.

Dear Seniors:

This is a time to think about both the past and the future, about how far you have already traveled on the road of life, and about how much of that road lies ahead of you and how you plan to travel it. Your graduation is testimony to your achievements thus far, and we here at TSD look forward to learning of your future successes.

You have served TSD well, and we hope we have served you well. You will be remembered, and we hope you return after graduation to visit us. We are sad to see you go, yet we are happy for you and the opportunities that lie ahead.

On behalf of all the staff and students at TSD, congratulations and best wishes!

Sincerely,

Virgil E. Flathouse, Ph.D.
Superintendent
